

## **EZ-SWITCH Customer Instructions**

This kit is designed to make your switch from another financial institution to Bank of Commerce, as simple and easy as possible. By following the instructions below, you can make the switch in a minimal amount of time!

1. Open a Bank of Commerce account and obtain an account number.

You can do this by stopping by the bank or simply mailing the completed EZ-SWITCH Fact Sheet back to the bank. If you do choose to mail the EZ-SWITCH Fact Sheet back to the bank, we will begin to process your information, but will need to verify your signature and identification in person before any deposits will be accepted.

2. Complete the EZ-SWITCH Forms from the kit for any account you are closing and/or re-directing a direct deposit or automatic payment. You will need to include your new account number(s) from Bank of Commerce on the EZ-SWITCH Forms.
3. If you want to set up direct deposits (payroll deposit, retirement benefits, interest payments, etc.) to your account, please provide the "Authorization to Change Direct Deposit" form to your employer or other provider. You need to complete the form with your name, the account title, e.g., Bill and Cheryl Smith, and your account number.
4. If you want to set automatic payments from your account, please complete the "Authorization to Change Automatic Payments" form, and mail it to your providing company who will be paid (insurance company, utilities, health spa, etc.). They also may require a voided check. Advise them of your intention to make a change of accounts for automatic debit.

Call us at 324-2265 or toll free (800) 934-4507  
If you have any questions.
